F. KEITH DREIER, GRAND MASTER

F. KEITH DREIER
Grand Master

My brothers, here it is May 2008 already! The District Meetings are half over and we have had a great time and we will continue to have a great time at our District Meetings. The Question and Answer sessions have been outstanding! I hope each of you who have participated and those of you who are yet to participate will gain some great

knowledge and learning while laboring among us during these wonderful meetings. Masonry at it's finest as we openly discuss the past, present and future of our beloved fraternity. If you have not had your district meeting then you still have a chance to come out and participate in our Q&A sessions. The meetings this year have been *very* well attended and I thank you for your participation!

I have so enjoyed these sessions because it is what I love to do and that is talk about Masonry with all of you. It is upon that level that we speak so openly about what we think Masonry needs to support itself for the coming decade. It is upon that level that we can make a difference in this fraternity.

At one of our recent District Meetings, there was a brother who said we should get back to the way it used to be in Masonry. I agree, but we cannot create the same atmosphere that our forefathers had, before interstates, air transportation, internet, Satellite TV, Xbox, Atari, Playstation, Soccer, Baseball, Football and many other things that have changed our society. What we can do is look at the things that make us what we are. What was it that made this fraternity so special? Was it that they knew the fraternity would investigate

them, talk with their neighbors, their employers, their friends? Next, the ritual was always strict! It was done with perfection, if you don't believe it find some of our oldest members who still do degree work and watch them work! It does not take a good ritualist; it takes a brother who wants to do it. Haven't you wanted something so bad that you always found a way to get what you wanted? There have been great discussions around the possible change to allow 18 year olds in the fraternity. Some say no, some say yes! It is my opinion that if a 18 year old can live and die for this country he should have the chance to be a Master Mason but not every 18 year old is mature enough, for that matter not every 50 year old is either! If we use the investigating committee like we should they would determine if that young man is mature enough.

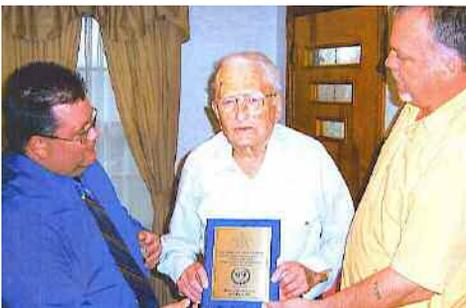

As you can see, there have been some great discussions and we will have many more. Come on out, join us for some really good food, fun and some wonderful open, honest discussions.

Make sure that you look for the ad in this Journal for the dates of the Grand Officers conferring degrees!

See you all soon and remember, we are Masons 24 hours a day, 7 days a week, 365 days a year, *except this year which is 366!*

FROM YOUR GRAND SECRETARY

JOSEPH R. CONWAY, P.G.M. Grand Secretary

A question often comes to the Grand Lodge Office about how much lodge information should be kept by the lodge Secretary. Our answer has always been to keep as much as you possibly can. Obviously, the personal information on the lodge membership is of utmost importance, both for the present and for future reference, and should be retained indefinitely. Some lodge Secretaries even keep other information on lodge members in their personal file when they distinguish themselves in the community. The same goes for other records such as lodge minutes, deeds, correspondence, insurance contracts, tax information, bequests, IRS information, etc. The history of the lodge is maintained in the minute book of the lodge proceedings and the membership records of the lodge, and these items should be protected and stored in a safe, secure and fire-proof location. Some item,

such as cancelled checks, invoices, bank records, etc., may be destroyed when they are no longer useful. However, it is advisable to retain them as long as possible.

One basic item that should be preserved and filed properly is the original petition submitted for membership in the lodge, whether it is for the degrees or affiliation, and it should be filled out completely by the petitioner and the lodge Secretary. The importance of doing this was brought to my attention recently when a lodge member, trying to reconstruct the membership listing of his lodge for a new Secretary, called the Grand Lodge Office for information on the membership and records for his lodge. He could locate only a few items to assist him, and the information requested on the forms he did find was not complete, and consequently not of much use to him. Apparently, the previous Secretary did not think doing so was a high priority. The petition forms, if filled out completely by both the petitioner and lodge Secretary, contains all the basic information on the individual member, and should be retained for future reference in cases such as the one noted above.

As Secretaries, we are all too familiar with the loads of paperwork that we are required to deal with, and for the filing and maintenance of the same; however, maintaining such is worthy of our earnest efforts, and important for the preserving of the history of our lodges. So, be very conscious and selective in what you decide to discard.

AWARDS ELIGIBILITY LIST

Each Lodge Secretary should receive the "Award Eligibility List" from the Grand Lodge Office in May for those eligible for the 50, 60, and 75 year Grand Lodge Veteran's Awards. You will be sent instructions with your list that will explain specifically how to fill it out. Please follow these instructions precisely.

The plateaus in time that a Brother must reach to qualify for these awards are significant, and the Grand Lodge Office wants to insure that those Brothers due the award receive it timely. So, we encourage you to give this review your close attention.

COMMUNICATION BETWEEN LODGES

Just a reminder to each Lodge Secretary, if you are communicating with another Lodge within the Grand Jurisdiction of Kentucky in an official capacity, you may correspond directly with the said Lodge. However, any correspondence with a Lodge - or Grand Lodge - other than the one within whose Jurisdiction your Lodge is located must be transmitted through both Grand Lodge Offices.

This procedure is intended to insure that a complete record of the particular transaction is fully noted at each level. Following this policy also saves time in as much as Lodges, agreeable to Masonic Protocol, will not directly respond to correspondence from a Lodge outside their Jurisdiction - thus creating delays by stalling the correspondence.

Just remember, all out-of-state correspondence must be transmitted through the Grand Lodge Office.

MASONIC DIRECTORY

The Masonic Directories for 2008 are still available from the Grand Lodge Office. The price is

\$9.00 each which is the cost of printing (plus shipping and handling if by mail). A form is printed below for your convenience should you wish to place an order for one or more.

GRAND LODGE BLANKET INSURANCE

By this time, each lodge Secretary should have received a Memorandum of Insurance statement from the Grand Lodge Office, showing the type, amount and a general description of the coverage each of the items in the agreement provides. You should file the same and use it as proof of coverage if, as you are most probably aware, insurance is a complicated business to most of us; consequently, it is well nigh impossible to prepare a general statement that would answer all the questions that may come to mind. However, if you find that you have specific questions concerning what is included in the coverage, and to what extent, you may call, either, this office, or contact;

James Solley
Acordia of Ky-Louisville
950 Breckenridge Lane Ste 50
Louisville, Kentucky 40257-0809
Phone 502 425-9444

The one insurance question we get most often in the Grand lodge Office concerns insurance on the lodge building. The blanket insurance carried by the Grand Lodge does not in any way include coverage on a lodge building, either liability or property. If your lodge owns a building, you must carry additional insurance to protect your membership. Should that be the case, you should contact a local insurance agency to determine the plan best suited for the needs of your lodge.

GRAND LODGE OFFICE CLOSED

The Grand Lodge Office will be closed Monday, May 26, 2008, for observance of Memorial Day

THOUGHT FOR THE MONTH

The Past is to be respected and acknowledged, but not to be worshiped. It is our future in which we will find our greatness.

BATTLE OF RICHMOND MASONIC MEMORIAL

The dedication ceremony for the Battle of Richmond Masonic Memorial is scheduled for Saturday, May 10th, at the new Battle of Richmond Visitors and History Center, 101 Battlefield Memorial Highway in Richmond, Kentucky.

In 2006, the five Masonic Lodges in Madison County (Richmond #25, Madison (Kirksville) #183, Kingston #317, Waco #338, and Berea #615, along with the Richmond Chapter 3438, Order of the Eastern Star), joined efforts to erect the Battle of Richmond Masonic Memorial dedicated to the many Brothers of the Masonic fraternity who fought at the Battle of Richmond on August 29 & 30, 1862.

North and South, fought at the Battle of Richmond, making it the second largest battle in the Commonwealth of Kentucky.

Of the six generals that participated in the Battle of Richmond, three were known members of the Masonic fraternity. Federal Brig. Generals Mahlon Manson and Charles Cruft, both of Indiana, as well as Confederate Brig. General Patrick Cleburne, of Arkansas, all were members of the order.

The Battle of Richmond Masonic Memorial is the first monument on the battlefield at Richmond, and is believed to be one of the first of its kind in the United States honoring brothers who fought in the Civil War. The Grand Lodge of Pennsylvania erected the Friend to Friend Monument at Gettysburg in the 1990's.

IMO or IHO?

You may be wondering what these letters stand for and what they really mean. These acronyms are commonly used by non-profit organizations when talking about special gifts. IMO stands for *in memory of* while IHO is shorthand for *in honor of*.

The letters are more than alphabet mixes. They represent opportunities to recognize that person who holds a special place in your heart. Imagine who they might be: your parents, a teacher or mentor, your pastor, a Brother in your Lodge, and, of course, your spouse.

In the coming months there will be many events including Mother's Day, Memorial Day, graduations and weddings. These are great opportunities to make special gifts, in honor or in memory of someone who has been special in your life to a charitable organization that has meaning for both you and the person you wish to honor.

Honor and memorial gifts may be made to your Masonic Homes, for example, for virtually any purpose, including helping to defray the daily expenses of Masonicare residents (such as through Grand Master Keith Dreier's *Fruits of Our Labor* program). Other gifts support special projects such as the new Care Center planned to replace the 81-year-old St. John's Day League Health Care Center. Gifts to the Homes' endowment program assure investment earnings are always there to provide care for people who need our help.

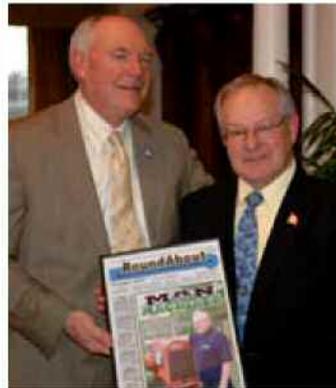

Making a gift to remember or honor a special person or event may be as simple as writing a check to creating an arrangement that provides the donor an income source for life.

To learn more about giving opportunities available and which may be best for you, please contact the Masonic Homes' Bruce Lott (phone: 502/259-9627; e-mail: blott@mhky.com).

A plaque honoring Grand Masters programs that have raised funds for the Masonic Homes was created for display at the Grand Lodge office. Participating in the presentation were (from left) Past Grand Master Bob Davenport, Masonic Homes' J Scott Judy, Past Grand Master and Board Chair Joe Conway, Grand Senior Warden Todd Eastham, Grand Master Keith Dreier and Grand Treasurer Tom Larimore.

Masonic Homes CEO Gary Marsh (left) presented Board member Gene Crady with a framed copy of Roundabout Magazine, featuring a cover story about Crady's collection of antique tractors.

Members of Devotion Lodge No. 160 delivered new CD players for residents in Louisville and Shelbyville, and Ernie Agee donated The Bible on CDs. At the presentation were Devotion member and District 20 Ambassador Derek Phelps, Louisville Administrator Israel Ray, Ernie Agee and the Homes' J Scott Judy.

Masonic Homes District 21 Ambassador Johnny Yates, left, visited with Chad Fitzpatrick and Barry Eastham at the District 27 meeting.
