F. KEITH DREIER, GRAND MASTER

F. KEITH DREIER
Grand Master

My brothers, as we enter this new year of 2008. Let us renew our obligations to the fraternity. Our fraternity is the GREATEST fraternity on the face of this earth! It is our duty to move it forward and keep it safe. To make sure that this fraternity stays as great as it is, it is our challenge to make sure that the men we seek and let into our

fraternity are the best that we can find.

Let us again approach our constitution and ritual. What is the most important committee ANY member can serve on? The investigating committee! We have become very lazy in our past years when any of us investigate a potential member. It is our duty to perform the best investigation that we can so that we do not regret letting in a person or persons that are not up to our standards. I cannot stress this more as over the first month and a half of my term as your Grand Master. I have already appointed 3 investigating committees and expelled one. Is this a reflection on our investigating committees? Brothers take the time it deserves to investigate every candidate or petitioner for the degrees. Our fraternity deserves it.

I have been very encouraged these past couple of months as I travel and talk to a lot of brothers about our Ritual. When you start talking about what binds us all together it is the Ritual. When you talk to brothers about degree work, what do they talk about? They all talk about, "Hey did you see so and so do the Skull lecture or so and so do the Apron Lecture"? Let us all take pride in doing our degree work. It is the best part of what binds us together as a band of brothers!

I had a conversation with a recently initiated young brother and his response was so correct! He loved the degree work! He told me that the young generation was all about the mysteries and the working behind the doors of a lodge. It is what he wants so much to work on and learn. This is the attitude that all of us should take about our Ritual Work.

Let us not forget that some of our greatest brothers were the founders of this country. Those men of their time were all about greatness. I believe that this fraternity is about greatness. It is without a doubt the single most historic group of brothers. It not only carries the distinction of being the Greatest Fraternity but also the mastermind behind the forming of our United States! If we all really think about the history that we have been handed we cannot let it just flounder. We must preserve it and bring it back to the GREATNESS it deserves. George Washington, Thomas Jefferson believed in this fraternity because they could TRUST their brothers with their lives. Can all of us say the same thing today?

Remember, we all meet on the level and take an obligation to protect each other. Let us not forget that, when we investigate and perform our rituals.

A Message from the First Lady

As most of you know, our son Brad Dreier is currently serving in the United States Army. He is now stationed at Ft. Hood, Texas. He safely returned from a year tour of Iraq, and for that we are extremely grateful. In September of this year I was present

at the York Rite Grand Session. The guest speaker of Ruth Simonton's Ladies Lunch was Carol Alexander and what she had to say touched my heart and made me think. She has started an organization known as *Operation Thank You*. It was started to send Christmas cards to soldiers away from home, just so they would know we have not forgotten them and we do appreciate what they are doing. The outpouring of love was overwhelming. Over 18,000 Christmas cards were sent to the soldiers, each with a handwritten thank you inside this year. Along with the Christmas cards, they also manage to ship care packages and needed items. Carol is in contact with 65 Units in Iraq and Afghanistan. *Operation Thank You* is a non-profit, tax exempt corporation and is 100% volunteer. No one has ever been paid for any service. Carol's motto is "One Person joining with many to serve our troops while they serve us".

I believe that the Masonic Family in Kentucky could really make a difference in the

OPERATION:

Thank You!

lives of our service men and women. I am asking that each of you think about your freedom and what it means to you. How could we ever thank these brave men and women enough? I will have available for you to purchase for \$10.00, a pin, to show your support of the troops. I will also have flyers available with the information concerning *Operation Thank You* and suggested items that the soldiers need if you would like to have your lodge put together their own Care Package. I will get you names of Units that are in need of "a gift from home". There are many ways to show we care and if you have other suggestions, I would love to hear them. Please feel free to contact me anytime at 859-331-7240 or 859-431-0021.

Thank you for taking the time to read this. I am not a political person at all. You may be for the war or you may be against it, that is not what this is about. This is about those men and women, who are somebody's children, away from home, frightened and in danger. We cannot forget them and what they are doing for us.

Notes

FROM YOUR GRAND SECRETARY

JOSEPH R. CONWAY, P.G.M. Grand Secretary

Freemasons are encouraged from the very beginning of their Masonic instructions to be seekers of the truth. So it would seem to be apparent that all people, especially Freemasons, should strive not only to seek the truth, but to practice it. I understand there are certain liberties taken when fisherman are telling of the prize catch they made. But subjecting their mounted prize to the measuring tape quickly brings them back to reality when they realize the fish hasn't grown that extra inch or two, no matter how many times the story is told. Even if this type of exaggeration is tolerated in a good natured way, it only has the potential to affect the individual's reputation for truthfulness. Not so when deliberate untruths are told about someone else; they have the potential to malign and slander another person-but no matter how many times the falsehoods are told or enhanced, they don't alter the truth.

The incident(s) occurring at the recently concluded Annual Communication of the Grand Lodge certainly call attention to the importance of being truthful in our relations with our fellowman, more so for a Freemason, for deliberate untruthful statements and/or charges made against another is the most malicious form of thievery that one person can commit against another, no what matter the reason. And, like the example of the fisherman noted above, no matter how many time false statements are made or printed, they do not change the "Truth". There is a lecture in one of the organizations of the Masonic Family that deals with this issue most eloquently in these words; "Truth is eternal and unchanging. Fidelity may waiver, Constancy may fail, Loyalty may falter, and Faith may grow dim, but truth never changes. Seek ye to know that which is true, and, having found it, hide it close in thine heart and make it thine own, and all these

others, Fidelity, Constancy, Loyalty, Faith and Love shall be added to it".

So Mote It Be!

LODGE DUES-DELINQUENT

A number of inquiries have been made to the Grand Lodge Office as to when a member is considered delinquent in the payment of dues and assessments to his Lodge(s). Section 154 of the Book of Constitutions of the Grand Lodge of Kentucky, F.& A.M., states that "The dues of all Lodges shall be due on January 1 each year, and payable in advance for the full year." Therefore, it would seem logical to conclude that a member who had not paid his dues and assessments for the current year would be considered delinquent on the first day of January of that year. There may appear to be a discrepancy in the Section mentioned above since further on it states that "Dues for each year shall be delinquent on April 1, and the delinquent members shall be subject to suspension on the stated meeting of the Lodge in June."

However, in that instance the reference to the term "delinquent" applies to the point at which a Lodge may consider the suspension of a member- or members- for non-payment of dues and assessments. Please keep in mind that the terms "delinquent" and "not in good standing" are not synonymous. The section referred to above merely sets the minimum time at which a member- or members- may be suspended for non-payment of dues- but does not set a limit on the time a Lodge may carry a member before suspension, if the Lodge chooses to do so. Further, a Lodge may, in the Lodge By-Laws; lengthen the time before suspension of a member (i.e. after one year, two years, etc.)-but may not shorten the time. That is to say, a member owing only the current years

dues cannot be suspended before June of the year the dues become payable.

Realizing that Lodge dues and assessments are necessary to provide the funds required to keep our Lodges, the Grand Lodge, and our Masonic charities financially sound and viable, the most prudent approach would be to remit our dues to the Secretary of our respective Lodge immediately upon receipt of the dues notice, thereby, eliminating the necessity of the term "delinquent" from our Masonic vocabulary.

NEWLY ELECTED SECRETARIES

Each year there are a number of new secretaries elected to that important office of the Lodge. The office of Secretary carries with it great responsibilities, second only to the Master, for the well being of the Lodge and it members. How well the Secretary responds to- and carries out his duties- is directly proportional to the success of a Lodge. An interested and knowledgeable Secretary is indispensable to the Master and his Lodge in moving our Fraternity forward, an uninterested Secretary will affect the Lodge in negative manner.

So if you are a newly elected Secretary, my advice to you is; first learn the duties of the Secretary; second, make sure you communicate clearly and fully with the Master; and third, develop an unconscious and natural "feel" for your particular Lodge and each member thereof. There are many responsibilities- but also many rewards if you can develop the right attitude. Welcome aboard and good luck!!

THOUGHT FOR THE MONTH

Happiness is inward, and not outward; and so, it does not depend on what we have, but on what we are.

MASONIC MEMBERSHIP CARD

I hold in my hand a little scrap of paper 2 1/2 x 3 1/2 inches in size. It is of no intrinsic worth, not a bond, not a check or receipt for valuables, yet it is my most priceless possession. It is my membership card in a Masonic Lodge.

It tells me that I have entered into a spiritual kinship with my fellow Masons to practice charity in word and deed; to forgive and forget the faults of my brethren; to hush the tongues of scandal and innuendo; to care for the crippled, the hungry and the sick, and to be fair and just to all mankind.

It tells me that no matter where I may travel in the world, I am welcome to visit a place where good fellowship prevails among brothers and friends.

It tells me that my loved ones, my home, and my household are under the protection of every member of this great Fraternity, who has sworn to defend and protect mine as I have sworn to defend and protect theirs.

It tells me that should I ever be overtaken by adversity or misfortune through no fault of my own, the hands of every Mason on the face of the earth will be stretched forth to assist me in my necessities.

And finally, it tells me that when my final exit from the stage of life has been made, there will be gathered around my lifeless body, friends and brothers who will recall to mind my virtues, though they be but few, and will forget my faults, though they may be many.

It tells me that, and a great deal more, this little card, and makes me proud yet humble, that I can possess this passport into a Society of Friends and brothers that are numbered in the millions.

Masonic Homes takes top honors among state health care facilities

The Masonic Homes of Kentucky captured three statewide awards and 11 best-of district honors in 17 categories from the Kentucky Association of Health Care Facilities.

Debra Finneran, Masonic Home of Shelbyville executive director and administrator, was named Kentucky's 2007 Facility Administrator of the Year. Masonic Home of Louisville Director

of Nursing Bill Grenier received the 2007 Director of Nursing Award. Louisville Activities Director Dama Manning, was named 2007's Statewide Director of Activities.

Masonic Homes President and CEO Gary Marsh noted that the Kentucky Association of Homes and Services for the Aging had also honored Finneran and Grenier with the same statewide awards in September. "The professionalism and commitment Debra and Bill bring to the Homes every day certainly merits the highest honors Kentucky's two long-term care associations can bestow," Marsh said.

Finneran, Grenier and Manning were named the best in their respective fields in Kentucky's Central District, which includes the competitive Louisville area. Five other Masonic Homes professionals also captured top district honors:

- The late JoAnne Abney, Masonic Home of Louisville longtime Social Services Director, for Social Services
- Shelbyville R N Leslie Mack for Nursing-RN
- Shelbyville CMT Debbie Murphy for Medication/Nurse Aide Award
- Shelbyville Occupational Therapist Jim Neiman for Medical Services
- Shelbyville Assistant Director of Nursing Angie Simpson for Administrative Nursing

In addition to individual winners, both Homes received prestigious district honors. The Masonic Home of Shelbyville won the Community Outreach Award recognizing consistent participation in local events and organizations. Sally's Garden, the Memory Care Neighborhood at the Masonic Home of Louisville, won the Innovative Program Award and the Masonic Homes of Kentucky quarterly newsletter, The Messenger, received best-of honors.

"The recognition of so many of our staff and programs demonstrates our progress toward becoming the best senior living company in Kentucky," Marsh said. "I could not be prouder."

Sharing the Fruits of Our Labors

Grand Master Keith Dreier and First Lady Debbie Dreier

Most Worshipful Grand Master Keith Dreier and First Lady Debbie Dreier began their year of Masonic service by thinking of others. So the self-described "man in the banana business" and his wife launched Fruits of Our Labor to help those who are unable to fully pay for the care they receive at the Masonic Homes.

Masonicare is available to eligible Kentucky Master Masons and their wives and widows who are unable to fully pay for their care at the Masonic Homes. After other payment sources are exhausted, Masonicare funds health care and other services.

Last year, 53 Masonic Homes of Kentucky residents received nursing care and other services through Masonicare, thanks to the support of Kentucky Masons.

To provide brothers and sisters living in our Homes under Masonicare, the Dreiers invite you to support Fruits of Our Labor. Every dollar given under the program will go directly to Masonicare residents. The Dreiers are providing acknowledgement gifts as their personal thank you for your gift to the Masonic Homes.

Join the Grand Master and First Lady by sharing the Fruits of Your Labor to make a difference in the lives of Masonic Homes' residents every day. Simply complete and mail the envelope enclosed in this issue of Masonic Home Journal, along with your gift.

Worth a thousand words

Masonic Home of Shelbyville residents, employees and their families brought the Candy Land Express to Shelbyville's annual Christmas parade, winning second-place honors from the Chamber of Commerce.

Board Vice Chairman Martin Walters (left) transformed a reception for his business customers into a fundraiser for the Homes, presenting more than \$3,000 to J Scott Judy and CEO Gary Marsh.

Louisville Administrator Israel Ray and Mission Advancement's J Scott Judy served lunch to ABC's Extreme Makeover crew while they built a new home for Patrick Henry Hughes' family. Patrick's grandfather had lived at the Louisville Home.

Continuing a 19-year tradition, members of Warfield #882 and other Eastpoint-area lodges donated fruit and horehound candy to brighten the holidays at the Masonic Homes. Louisville Administrator Israel Ray (left) accepted the delivery from Herman Fletcher, Joe York, Jr., Jim BeDillion, Sheldon Sammons and Greg Sammons.

Sara Jo Hooper relaxed before showing off her Village Apartment's holiday decor during the annual Crescent Hill Candlelight Tour of Homes. More than 200 people toured two loft apartments on the Louisville campus.
