F. KEITH DREIER, GRAND MASTER

F. KEITH DREIER
Grand Master

Well, I have to boast a little here! Debbie and I are now officially Grandparents with the birth of our Grandson on June 26, Caleb J. Dreier to our son Chris and his wife Janelle, 7 lbs. 5 oz... Hopefully another Mason in the family!

I can't believe it is August! This will be my next to last article for the Journal during my term as your Grand Master, how times flies!!!

Times like this make you remember several things about yourself and your family. I am very lucky to have a Masonic family. Debbie and I have spent several years working in Masonry. I spent several years doing degree work in the Scottish Rite. Debbie, which most of you know served the Grand Chapter of OES as Grand Marshall for Kaye Stone and Pat Hart during 1999-2000 and then served as Worthy Grand Matron in 2004. Along the way I raised my two sons in Henry Barnes 607 lodge and Debbie and I initiated all three of our children into OES. As most of you know my Father was a Past Master in Samaritan 424 in Bonne Terre, Missouri. I hope that I am here to see my Grandson raised to the sublime degree of a Master Mason!

I know that this is probably repeating myself but I feel so very strong about what we do as Masons that it is worth repeating. Masonry does not just exist in all of us just when we walk through the door of a Lodge. We are Masons 24 hours a day, 7 days a week, 365 days a year. We MUST show the outside world who we are and why this Fraternity has stood the test of time. Its Values, it's Honor, it's Integrity, these are the things that we have let slip through our fingers. We and ONLY we can truly make this Fraternity

reverse itself and truly be the Fraternity it was and still is to the true Masons. When you step out into the light each morning are you ready to make a difference in someone's life? One day, you will get that chance to make a difference in someone's life, be ready!!

Now is the time for this Fraternity to stand out from all other would-be substitutes! The world is looking to return to a society of close relations with their neighbors and friends. The fuel crisis is going to see that society changes again back to the society of friends and brothers rather than a society of fast-paced and jet-set with no real friends but only those that want something of you rather than those who seek to work and best agree!

The time has come my Brothers to make sure that our communities know how we feel about our Fraternity and our communities. Are we ready? Are our Lodge buildings a place that we are proud of and make a statement in our communities of how we feel about ourselves? If you can answer these questions with a YES, then your Lodge is ready. But if you say NO, then step forward and help lead your Lodge into the next generation of Brothers of the Masonic Fraternity!

FROM YOUR GRAND SECRETARY

JOSEPH R. CONWAY, P.G.M. Grand Secretary

If one wants to read about the Masonic Fraternity there are a multitude of books available in book stores nationwide; from those written by authors who make a conscientious attempt to thoroughly investigate the history of the Fraternity and report honestly on their findings, separating their assumptions from facts as they find them, to those whose only intent and purpose is to discredit and smear the Fraternity as much as possible. Truth and facts mean nothing to the latter group. A case in point is the notorious Frenchman, Leo Taxil (Gabriel Antoine Jogand-Pages), who, after a brief association with the Fraternity in the late 1800s, began to write a series of "exposés" purporting to reveal the dark side of Freemasonry. It mattered not that his writings were filled with distortions and outright lies, they were taken as fact by those who wanted to believe the worst about Freemasonry. And, even though he later admitted that he had distorted the truth, and outright fabricated much of the material relating to the Fraternity in his writings, there are those today who refer to his books as reliable source material whenever they wish to discredit the Freemasonry.

Assuming that most Masons are like me when selecting a Masonic book to read, we most always try to pick one that is informative and, hopefully, favorable to the Fraternity, in order to prepare us to answer the questions we are sometimes asked by non-masons and sometimes by Masons as well. However, it is often just as beneficial to select a book that gives a distorted and untrue description of Freemasonry and our Rituals, as well as one which is favorable. To do so helps one to be able to answer undeserved negative criticism and false impressions of the Fraternity with an informed response to those who may have been exposed only to the anti-Masonic view of the Order.

Last week I picked up one such book I received, unsolicited, through the mail from one of the anti-Masonic religious groups that we are familiar with, and, out of curiosity, decided to see what it had to say. Well, it wasn't much different than the publications of all the other anti-Masonic groups in handling the truth and facts as they relate to the Masonic Fraternity. However, this one particular publication went much further than others I am acquainted with in that it identifies the Fraternity as part of worldwide conspiracy, in conjunction with others, that is over two-hundred years old, and states "An enemy has been stalking America for over 200 years. She is about to apply the death grip from which America will never recover". The author claims this conspiracy involves the Masonic Fraternity, the Illuminati, the Jesuit Order, the House of Rothschilds, the Council on Foreign Relations and many other religious and governmental bodies as participants. Also named, directly or indirectly, in the "conspiracy" were a plethora of historical individuals, from Pope Clement XIII to Bill Clinton and George W. Bush, including J. P. Morgan., the Rockefellers, Woodrow Wilson, George Marshall, Harry Truman, and on and on.

The most outrageous statement was the assertion that World War I and World War II were planned to further this conspiracy for worldwide domina-

tion some two-hundred years before they occurred. Some planning, huh? Since most such groups have enough trouble preparing next year's budget. The book did provide for some interesting reading, something akin to reading a comic book. There doesn't appear to be any depth to which these anti-Masonic groups will sink in their outrageous attempts to undermine and/or bring discredit to the Fraternity. Consequently, I feel that it is beneficial and worthwhile to read some of these anti-Masonic publications from time to time in order to keep abreast of the misinformation they attempt to pass on to an unsuspecting public as fact.

So, on a night when you have trouble sleeping, pick up one of these fictional publications and amuse yourself; Facts are scarce--but fiction abounds!

NOTICE

Section 217 of the Book of Constitutions requires that all motions on resolutions pertaining to amendments of the Constitutions or Laws of the Grand Lodge shall be submitted in writing and presented to the Office of the Grand Secretary no later than August 15, prior to the Annual Communications.

NOTICE

Section 12 (3) of the Book of Constitutions requires that an Elective Representative shall be a Permanent Member chosen by ballot from the members of his lodge, to represent it in case its Master, Wardens or Secretary cannot attend the communication of the Grand Lodge, and such representative shall be given a certificate of his election over the lodge seal.

SUSPENSIONS

Each year a few reports are received in this office of members being suspended on other than a Stated Communication of the Lodge-- most always on the last day of June. Section 176 of The Book of Constitutions specifies that the suspension of a member is to occur at the stated communication set in the summons and the suspension is complete at that time.

The suspended member may become reinstated the next day in accordance with Section 187, merely upon payment of the amount owing up to the time he was suspended. However, that does not alter or erase the fact that the suspension occurred, and should be recorded as such.

Further, if the suspended member is a Plural Member, it is the primary responsibility of the suspending Lodge to notify the other Lodge(s) of which he is a member of the suspension in order for them to take appropriate action. As a follow-up the other Lodge(s) also receives a notice of the suspension from the Grand Lodge Office as soon as the information is received from the suspending Lodge.

YEAR-END ACTIVITY REPORTS

The office staff is gearing up at this time to verify the various lodge activities for the past year and to prepare the Annual Return information for each subordinate Lodge. With the exception of only a few Lodges, the Monthly Activity Reports have been received promptly in the Grand Lodge Office, insuring an accurate up-to-date account of each Lodge activity. I urge each Lodge Secretary to submit their monthly report in ample time to permit the assembling of the information for the Annual Report and presentation at the Annual Communication in October. The sooner we have the information the quicker we can prepare the Annual Return of your Lodge for verification.

It is **not** necessary to delay mailing the Annual Returns to the Grand Lodge Office until payment of the assessments is made. Once the Annual Returns are reviewed and verified, they should be mailed promptly to the Grand Lodge Office so the statistics can be prepared in ample time to complete the Advance Proceedings before the Annual Communication. The assessments payment may be submitted at a later date (prior to September 1, to avoid a penalty).

The Annual Returns were mailed from the Grand Secretary's office the last week in July and, as Secretary, you should have received them around August 1, 2008. Remember they must be received in the office of the Grand Secretary prior to the September 1, 2008 deadline. The payment for Grand Lodge assessments is also due at the same time. Late payment of the Grand Lodge assessments and/or the Annual Returns will cause a \$1.00 per day penalty to be assessed for each discrepancy until they are received in the Grand Lodge Office.

LODGE NEWS & ACTIVITIES...

BUECHEL LODGE NO. 896 PAST MASTER'S NIGHT

On Saturday, June 21, fifty-five people gathered at the Lodge hall for dinner and an open meeting to recognize the contributions and leadership of the Lodge's Past Masters and long-time members achieving their service pins.

The Lodge had nineteen of sixty living Past Masters in attendance. The senior Past Master, Garland Cochrane (1955) who will be 94 years old next month spoke briefly on the importance of staying active in life and service to Masonry. Mr.

Cochrane was the contractor who constructed the Lodge and shared other historical anecdotes.

The following received service awards/pins. Sixty year, Burton Cosby, Fifty year, Maurice and Raymond Wiley, Forty year, Arlynn Harroff, and Twenty-five year, Denver Craft and David Nicholson.

The Past Masters were given a small token of the Lodge's appreciation; all ladies were presented with a rose; and all Masons in attendance received a small gift.

A Mason's Wife

*From active Masons, resolute,
Our wives and families we salute;
We surely know the price you pay,
Who sit alone while we're away;*

*No high degrees on you conferred,
In Lodge, your name is seldom heard;
You serve our cause though out of sight,
While sitting home alone tonight;*

*Masonic papers list our names,
Awards are given, fit to frame;
But yours is absent...you who strive,
To keep our fortitude alive;*

*You're part of every helpful deed,
On your encouragement we feed;
Without your blessings, how could we,
Continue acts of charity?*

*And so, this poem, we dedicate,
To every Master Mason's mate;
And offer our undying love,
Rewards await in Heaven above.*

Tips for Preventing Heat-Related Illness

The best defense is prevention.

Here are some prevention tips:

- Drink more fluids (nonalcoholic), regardless of your activity level. Don't wait until you're thirsty to drink. Warning: If your doctor generally limits the amount of fluid you drink or has you on water pills, ask him how much you should drink while the weather is hot.
- Don't drink liquids that contain alcohol or large amounts of sugar—these actually cause you to lose more body fluid. Also, avoid very cold drinks, because they can cause stomach cramps.
- Stay indoors and, if at all possible, stay in an air-conditioned place. If your home does not have air conditioning, go to the shopping mall or public library—even a few hours spent in air conditioning can help your body stay cooler when you go back into the heat. Call your local health department to see if there are any heat-relief shelters in your area.
- Electric fans may provide comfort, but when the temperature is in the high 90s, fans will not prevent heat-related illness. Taking a cool shower or bath, or moving to an air-conditioned place is a much better way to cool off.
- Wear lightweight, light-colored, loose-fitting clothing.
- NEVER leave anyone in a closed, parked vehicle.
- Although any one at any time can suffer from heat-related illness, some people are at greater risk than others. Check regularly on:
 - Infants and young children
 - People aged 65 or older
 - People who have a mental illness
 - Those who are physically ill, especially with heart disease or high blood pressure
- Visit adults at risk at least twice a day and closely watch them for signs of heat exhaustion or heat stroke. Infants and young children, of course, need much more frequent watching.
- Try to rest often in shady areas.
- Protect yourself from the sun by wearing a wide-brimmed hat (also keeps you cooler) and sunglasses and by putting on sunscreen of SPF 15 or higher.

AM I A BUILDER?

AUTHOR UNKOWN

*I watched them tearing a building down,
A gang of men in a busy town.*

*With a ho-heave-ho and a lusty yell,
They swung a beam and the sides fell.*

*I asked the foreman, "Are these men skilled
And the kind you would hire,
if you had to build?"*

*And he gave me a laugh and said,
"No indeed,
Just common labor is all I need*

*I can easily wreck in a day or two
What other builders have taken a year to do."*

*And I thought to myself as I went my way,
"Which of these roles have I tried to play?"*

*Am I a builder that works with care,
Measuring life by the rule and square.*

*Am I shaping my deeds to a well made plan,
Patiently doing the best I can?*

*Or am I a wrecker who walks the town,
Content with the labor of tearing down."*
