Grand Master's Address and Recommendations for the 211th Annual Communication

L. TODD EASTHAM
Grand Master

Right Worshipful Grand Lodge Officers, Most Worshipful Past Grand Masters, Worshipful Grand Lodge Officers, Our Distinguished Guests, Delegates, and Brethren of This 211th Annual Communication of the Most Worshipful Grand Lodge of Kentucky, Free and Accepted Masons. Welcome Home Everyone!

At the beginning of my term as Grand Master, I asked only that the Craft help me with two vital issues, the first being to help me care better for our widows and the second to truly love one another as Masons. I came to this honored office prepared to do what was necessary to promote genuine and true love within our ranks, and only history will judge if I succeeded or if I have failed.

I can only hope that if one widow was aided, or one Brother shown kindness, that we succeeded in our mission, because as we have all seen, one random act of love can alter history. For those Lodges who followed me and supported this initiative, I thank you from the bottom of my heart, but for those who did neither, shame be on you and your members.

I have been the luckiest Grand Master in recent history in regards to the men I have served with who have been loyal and honorable to the bitter end. My Grand Lodge Officers, District Deputies, and Committeemen both elected and appointed, have shown me that there is hope for our Fraternity in the future. As I have stated before, those going forward following me will do greater things than I can fathom, and the stage is now set for

resurgence in our Fraternity. Brothers Don, Terry, Chris, Joe, and Tom: I thank you and know you will all do marvelous things together.

Before I go back to my little Lodge on the Banks of the Ohio, Greenup #89, I would only think it proper to thank the entire Masonic Family and all who have helped me along the way. Had it not been for timely advice from friends in all branches of our Fraternity, I could have erred and all advice given was timely and accurate. I have spoken through my Grand Master's Messages, at District Meetings, as well as Lodges saying what needed to be said, but now I will go in peace. May God bless us all, from the youngest Mason to the oldest Eastern Star member, as well as the Youth Groups and Appendant Bodies, and May God Bless America.

Look well to the East my Brothers.

Fraternally Submitted,
L. Todd Eastham,
Grand Master

- I recommend, as a time and cost saving measure, to allow concurrent jurisdiction statewide and amend the Constitution to reflect this change. Due to the new mandatory background check, I see no further need for the constant flow of waivers throughout our own Commonwealth and I ask that the Constitution be modified to reflect this change. It is only proper that a Man have the choice to petition any Lodge he chooses. Additionally, we can help alleviate the burden placed on Lodge secretaries, investigating committees, and the Grand Lodge Office, all of which cost tremendous amounts of money and time. This is also one of the most flagrantly violated sections of the constitution as it is confusing to some Lodges, and cumbersome to all.
- I recommend that a standing resolution of respect be adopted regarding our widows, and that each Lodge must have some function to honor them at least once a year.
- I recommend that each Subordinate Lodge in the Jurisdiction of the Commonwealth of Kentucky be given the choice to perform routine business on the 1st degree of Masonry according to Ancient Usage and Custom, provided that the bylaws of each Lodge wishing to do so reflects this desire.

This will require a Constitutional change but will bring choice to the Subordinate Lodge level and out of the hands of the Grand Lodge. This is to correct an innovation and a possible error made by our predecessors without our consent which should have never been allowed. Our Lodges opened and did routine business on the 1st degree of Masonry until 1853-1854 and it is only proper we return to the ways that most of the entire world utilize. It is well known that this practice is almost purely American in nature, and I recommend this be given an opportunity.

- I recommend that a resolution be adopted allowing the Grand Lodge when in session, or Grand Master during the interim to make visiting dignitaries or other representatives and/or worthy Brothers who are Masons in good standing, Honorary Members of the Grand Lodge of Kentucky. Most other Grand Jurisdictions do this as a small token of respect and esteem to those who take the time to visit our Jurisdiction and it therefore shows a great deal of good will and cooperation with the Brethren of the surrounding Grand Jurisdictions. At present, we have the capability to make them Kentucky Colonels, or bestow Honorary Titles not associated in the least with Kentucky Masonry.
- The Blue Lodge is the foundation of all Masonic Ritual. The The Kentucky Ritual is one of our adopted Rituals. The Craft having requested that it be decoded for easier use, I would recommend that Version 3 of The Kentucky Ritual Uncoded along with the Lectures of the Monitor be adopted as the only Ritual of The Grand Lodge, and of this Grand Craft of Kentucky. This will allow for uniformity of work, and give each Lodge the ability to have assistance from other Lodges who may not know the particular work being done. Additionally, the obligations will be the same, foregoing some that have been given in error in the past days of our Fraternity.

Notes FROM YOUR GRAND SECRETARY

JOSEPH R. CONWAY, P.G.M. Grand Secretary

A question often comes to the Grand Lodge Office about how much lodge information should be kept by the lodge Secretary. Our answer has always been to keep as much as you possibly can. Obviously, the personal information on the lodge membership is of utmost importance, both for the present and for future reference, and should be retained indefinitely. Some lodge Secretaries even keep other information on lodge members in their personal file when they distinguish themselves in the community. The same goes for other records such as lodge minutes, deeds, correspondence, insurance contracts, tax information, bequests, IRS information, etc. The history of the lodge is maintained in the minute book of the lodge proceedings and the membership records of the lodge, and these items should be protected and stored in a safe, secure and fire-proof location. Some items, such as cancelled checks, invoices, bank records, etc., may be destroyed when they are no longer useful. However, it is advisable to retain them as long as possible.

One basic item that should be preserved and filed properly is the original petition submitted for membership in the lodge, whether it is for the degrees or affiliation, and it should be filled out completely by the petitioner and the lodge Secretary. The importance of doing this was brought to my attention recently when a lodge member, trying to reconstruct the membership listing of his lodge for a new Secretary, called the Grand Lodge Office for information on the membership and records for his lodge. He could locate only a few items to assist him, and the information requested on the forms he did find was not complete, and consequently not of much use to him. Apparently, the previous Secretary did not think doing so was a high priority. The petition forms, if filled out completely by both the petitioner and lodge Secretary, contains all the basic information on the individual member, and should be retained for future reference in cases such as the one noted above.

As Secretaries, we are all too familiar with the loads of paperwork that we are required to deal with, and for the filing and maintenance of the same; however, maintaining such is worthy of our earnest efforts, and important for the preserving of the history of our lodges. So, be very conscious and selective in what you decide to discard.

NOTICE

Section 217 of the Book of Constitutions requires that all motions on resolutions pertaining to amendments of the Constitutions or Laws of the Grand

Lodge shall be submitted in writing and presented to the Office of the Grand Secretary no later than August 15, prior to the Annual Communication

NOTICE

Section 12 (3) of the Book of Constitutions requires that an Elective Representative be a Permanent Member chosen by ballot from the members of his lodge, to represent it in case its Master, Wardens or Secretary cannot attend the communication of the Grand Lodge, and such representative shall be given a certificate of his election over the lodge seal.

SUSPENSIONS

Each year a few reports are received in this office of members being suspended on other than a Stated Communication of the Lodge--most always on the last day of June. Section 176 of The Book of Constitutions specifies that the suspension of a member is to occur at the stated communication set in the summons and the suspension is complete at that time.

The suspended member may become reinstated the next day in accordance with Section 187, merely upon payment of the amount owing up to the time he was suspended. However, that does not alter or erase the fact that the suspension occurred, and should be recorded as such.

Further, if the suspended member is a Plural Member, it is the primary responsibility of the suspending Lodge to notify the other Lodge(s) of which he is a member of the suspension in order for them to take appropriate action. As a follow-up the other Lodge(s) also receives a notice of the suspension from the Grand Lodge Office as soon as the information is received from the suspending Lodge.

YEAR-END ACTIVITY REPORTS

The office staff is gearing up at this time to verify the various lodge activities for the past year and to prepare the Annual Return information for each subordinate Lodge. With the exception of only a few Lodges, the Monthly Activity Reports have been received promptly in the Grand Lodge Office, insuring an accurate up-to-date account of each Lodge activity. I urge each Lodge Secretary to submit their monthly report in ample time to permit the assembling of the information for the Annual Report and presentation at the Annual Communication in October. The sooner we have the information the quicker we can prepare the Annual Return of your Lodge for verification.

It is not necessary to delay mailing the Annual Returns to the Grand Lodge Office until payment of the assessments is made. Once the Annual Returns are reviewed and verified, they should be mailed promptly to the Grand Lodge Office so the statistics can be prepared in ample time to complete the Advance Proceedings before the Annual Communication. The assessments payment may be submitted at a later date (prior to September 1, to avoid a penalty).

Remember the Annual Return must be received in the office of the Grand Secretary prior to the September 1, 2010 deadline. The payment for Grand Lodge assessments is also due at the same time. Late payment of the Grand Lodge assessments and/or the Annual Returns will cause a \$1.00 per day penalty to be assessed for each discrepancy until they are received in the Grand Lodge Office.

**WANTED VOLUNTEERS TO DRIVE
CANCER PATIENTS TO
TREATMENT**

Metro United Way and the American Cancer Society promoted road to recovery program.

Louisville, KY (July, 2010) – Everyday, medical advances produce more effective treatments for cancer but too many patients do not get the right treatment because they can not get to it. For people with cancer, accessible transportation to and from radiation treatments too often becomes one of the toughest parts of their fight.

That's why The American Cancer Society's Road to Recovery program was created. In partnership with Metro United Way, hundreds of volunteer drivers have been recruited but with the prevalence of cancer in our community, many more volunteers are needed. For example, between May 2009 through May 2010, Road to Recovery received almost 1,200 requests for transportation to treatment. The program was able to fill only 67% of these requests.

"For many cancer patients in our community, getting to and from treatment may be a challenge. In fact, just one patient receiving radiation treatment may require 20 to 30 trips for treatment in just a few weeks. The American Cancer Society's Road to Recovery program reduces the burden felt by many patients and allows them to focus on getting well," said Ayrton Corbitt, Kentucky state vice-president for the American Cancer Society.

Metro United Way, as part of its partnership with American Cancer Society, wants to make sure that more people in the region, both those struggling with this issue and potential volunteers, were aware of Road to Recovery.

As Kelly Thompson, Metro United Way's Director of Engagement Initiatives explains, "Once we really understood the scope of the need in our community, Metro United Way knew that we had to tap into our communications resources, like our website and 2-1-1, and our connections within the community to help meet the demand for drivers."

For more information about becoming a Road to Recovery volunteer, go to www.metrounitedway.org/volunteer, or simply call 2-1-1 for more information. The American Cancer Society will train anyone interested in volunteering. To volunteer as a Road to Recovery driver, candidates must have a valid driver's license, good driving record, access to a vehicle in good working condition and personal automobile insurance. Volunteers may drive as frequently as their schedules permit them to transport patients to and from area treatment centers.

MASONIC HOMES of KENTUCKY

*Providing quality housing, health care and services
that make a difference in people's lives*

Sam Swope doesn't walk away—from caring

Louisville's new building is Sam Swope Care Center

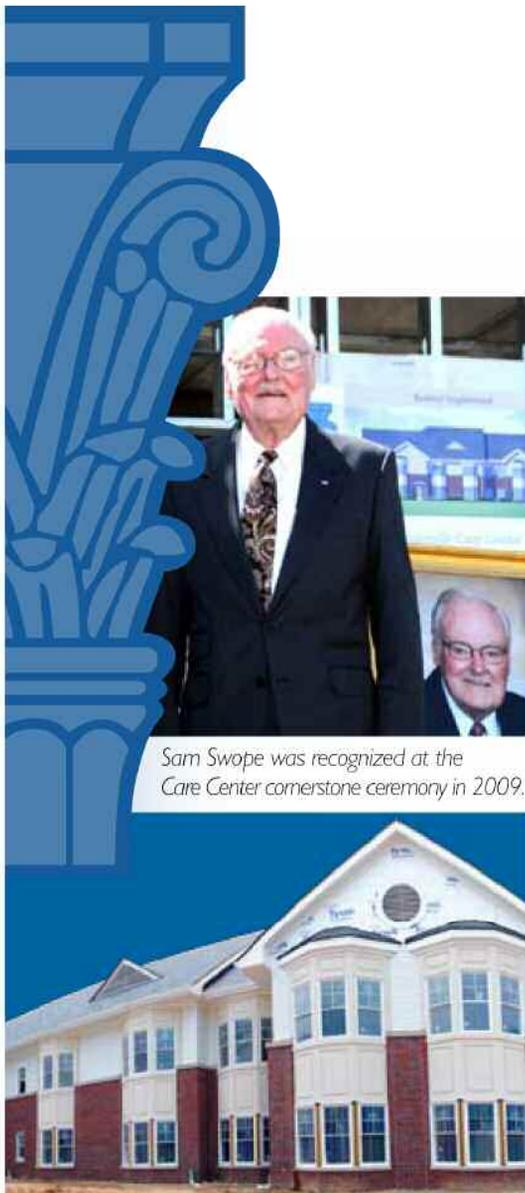

When the new Louisville Care Center opens in December, it will bear a name that is familiar across Kentucky: Sam Swope (Morrison Lodge No. 76).

"Mr. Swope may be best known as founder of Sam Swope Auto Group, but he made Masonic Homes' history by giving the largest individual gift we have ever received," said Homes CEO Gary Marsh. "It is with respect, affection and profound gratitude that we name our new Care Center after him."

Swope said the Homes' Capital Campaign was critical to keep up with changing times. "I believe you have to not only keep up with the times, you have to keep ahead of the times, and Masonic Homes are doing just that with the new facilities and projects," Swope said. "People's needs have changed, they're living longer and they're going to need the services Masonic Homes will be providing in the new Care Center. I'm very glad to be part of the support."

A legendary community servant, Swope has served on numerous boards including the Lincoln Heritage Council of Boy Scouts of America, The Louisville Area Chamber of Commerce, The Louisville Community Foundation, the University of Louisville Overseers, and is a past board chair of Kosair Charities. He currently serves as honorary chairman of the Homes' Capital Campaign Committee.

Swope also has received countless awards in recognition of his leadership and service including the Hickman-Camp Award from University of Louisville Athletic Department, the Whitney M. Young, Jr. Service Award from the Boy Scouts of America, and the Advertising Federation of Louisville's 2009 Louisvillian of the Year award.

Sam Swope was recognized at the Care Center cornerstone ceremony in 2009.

Hundreds honor Old Glory

The sixth annual Parade of Colors Flag Day celebration drew more than 50 color guard units and hundreds of observers to the Homes' Louisville campus.

Sovereign Grand Inspector Emeritus John E. Moyers received the Homes' Patriot Award in recognition of his lifelong promotion of patriotism. "I truly appreciate

the honor the Homes has given me, along with the recognition and the beautiful award," Moyers said. "I shall always cherish it and remember from whence it came."

Maj. Gen. Carl Black served as master of ceremonies of the event, highlighted by the Parade of Colors accompanied by the Kosair Brass Band. The Ladies of Liberty led the crowd in *The Star-Spangled Banner* and performed other patriotic songs.

Maj. Gen. Carl Black presented John E. Moyers with the Patriot Award at Masonic Homes' Parade of Colors Flag Day observance.

The Ladies of Liberty entertained with a wide range of patriotic songs.

Pediatric Day Care Center closer to reality

Since her husband L. Todd Eastham became Kentucky's Grand Master, Angie Eastham has been raising awareness and funds for the Homes' pediatric day care center on the Louisville campus.

Angie's *One Step Closer* program highlights the need for more pediatric day care services to meet the challenges faced by families of medically fragile children. "Angie has been supportive of the Homes' plan to provide pediatric day care from the start," said VP of Fraternal Relations John Cauley. "Her *One Step Closer* initiative has generated a lot of interest and support."

The First Lady's *One Step Closer* pins are now available for \$10 each from District Deputies and District Ambassadors. The pins were created from Angie's original design using crayons, blocks and a puzzle piece to form a square and compass.

Through the sale of limited edition pins, *One Step Closer* hopes to raise \$10,000. If all the pins are sold, Angie has pledged to make a matching gift.

Masonic Homes hopes to break ground on the day care center before fall 2010.
