Masonry Matters – 2010

Family Resource and Youth Services Center Representatives Nancye Daniel and Treasa Johnson along with School Superintendent Quin Sutton accept a check for over \$2000 from Lyon County Masons; Phil Robinson representing Suwanee Lodge 190, Carroll Dorroh of Joppa Lodge 167, District Three Deputy Ronald Walker and Bob McDonald representing Parkersville Lodge 484.

The donation was made as part of the "Masonry Matters"

program propagated by local Supreme Court Justice and Mason Bill Cunningham. Funds were raised through the Masons Fish Fry held during Kuttawa Harvest Festival and enhanced by donations. The FRYSC center will use the money for emergency assistance to families in need who have children in the school system and also to provide Christmas to children who might otherwise find that Santa had skipped them this year.

Burnside Lodge 634 – Christmas Shoebox

Masonic Lodge No. 634 members recently helped out with the Operation Christmas Child Shoebox collection. Approximately 15,786 shoeboxes were collected this year and with the support of Burnside

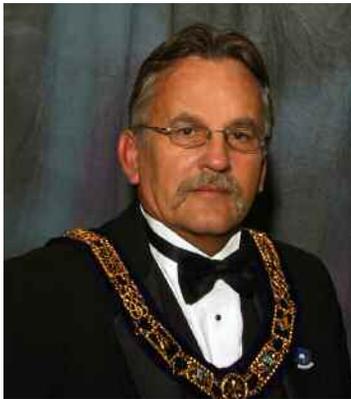

Lodge those children who had never received a Christmas Gift, will now enjoy a present and understand through Christian books the "reason for the season."

Grand Master's Message

DONALD H. YANKEY
Grand Master

Happy New Year

The New Year has begun and all the New Officers have been installed. The Masters have made their plans for their year. We need to support them and their new ideas, and see that they reach the goals they have set for your Lodge. It's also a time when we can look at ourselves and remember what caused us to become members of this great Fraternity. Was it a sense of belonging to something good, or was it the members we knew and respected that made us to want to be a part of something really worth our time? Was it a sense that some family member be-

longed, and you knew he would not be a part of something that was not respectful to family, country and community?

Whatever your motivation was to join, now is the time to rededicate yourself to being the best member and Mason possible. Our claim is, we take good men and make them better, so as we work within our Lodges let's do what we do best, and make great Masons. Outside our Lodges let us practice those important lessons we were taught within. Masonry should be a way of life not just a Fraternity to which we belong.

So as we begin this New Year, let's remember to follow our by-laws and constitution set forth by the Grand Craft. Your and elected and appointed Grand Officers are here to assist you in any way they can. Update your constitutions, study them, and practice your ritualistic work. Attendance to your own lodge will not only benefit your Brothers but will yield you that friendship of Brotherly love and affection which should characterize Freemasons.

The Brotherhood shared among this Craft, has deepened as I see brothers visiting other Lodges in their area. It was Brothers like you and friendships made that will allow me to serve you as Grand Master.

First Lady, Janice and I, wish for you a prosperous year and look forward to seeing as many of you as possible this year. Safe travels and remember, "You get out of Masonry what you put into Masonry."

God Bless and have a Safe and Happy New Year.

FROM YOUR GRAND SECRETARY

JOSEPH R. CONWAY, P.G.M. Grand Secretary

LODGE DUES DELINQUENT

Inquiries have been made to the Grand Lodge Office as to when a member is considered delinquent in the payment of dues and assessments to his Lodge(s). Section 154 of the Book of Constitutions of the Grand Lodge of Kentucky, F.& A.M., states that "The dues of all Lodges shall be due on January 1 each year, and payable in advance for the full year." Therefore, it would seem logical to conclude that a member who had not paid his dues and assessments for the current year would be considered delinquent on the first day of January of that year. There may appear to be a discrepancy in the Section mentioned above since further on it states that "Dues for each year shall be delinquent on April 1, and the delinquent members shall be subject to suspension on the stated meeting of the Lodge in June."

However, in that instance the reference to the term "delinquent" applies to the point at which a Lodge may consider the suspension of a member-or members- for non-payment of dues and assessments. Please keep in mind that the terms "delinquent" and "not in good standing" are not synonymous. The section referred to above merely sets the minimum time at which a member-or members- may be suspended for non-payment of dues- but does not set a limit on the time a Lodge may carry a member before suspension, if the Lodge chooses to do so. Further, a Lodge may, in the Lodge By-Laws; lengthen the time before suspension of a member (i.e. after one year, two years, etc.)-but may not shorten the time. That is to say, a member owing only the current years dues cannot be

suspended before June of the year the dues become payable.

Realizing that Lodge dues and assessments are necessary to provide the funds required to keep our Lodges, the Grand Lodge, and or Masonic charities financially sound and viable, the most prudent approach would be to remit our dues to the Secretary of our respective Lodge immediately upon receipt of the dues notice, thereby, eliminating the necessity of the term "delinquent" from our Masonic vocabulary.

RETAINING INFORMATION

(Important information reprinted from January 2010)

Frequently a question comes to the Grand Lodge Office from a lodge Secretary about how much lodge information should be retained by him. Our answer has always been to keep as much as you possibly can. Obviously, the personal information on the lodge membership is of utmost importance, both for the present and for future reference, and should be retained indefinitely. Some lodge Secretaries even keep other information on lodge members in their personal file when they distinguish themselves in the community. The same goes for other records such as lodge minutes, deeds, correspondence, insurance contracts, tax information, bequests, IRS information, etc. The history of the lodge is maintained in the minute book of the lodge proceedings and the membership records of the lodge, and these items should be protected and stored in a safe, secure and fire-proof location. Some item, such as cancelled checks, invoices, bank records, etc., may be destroyed when they are no longer useful. However, it is advisable to retain them as

long as possible.

One basic item that should be preserved and filed properly is the original petition submitted for membership in the lodge, whether it is for the degrees or affiliation, and it should be filled out completely by the petitioner and the lodge Secretary. The importance of doing this was brought to my attention recently when a lodge member, trying to reconstruct the membership listing of his lodge for a new Secretary, called the Grand Lodge Office for information on the membership and records for his lodge. He could locate only a few items to assist him, and the information requested on the forms he did find was not complete, and consequently not of much use to him. Apparently, the previous Secretary did not think doing so was a high priority. The petition forms, if filled out completely by both the petitioner and lodge Secretary, contains all the basic information on the individual member, and should be retained for future reference in cases such as the one noted above.

As Secretaries, we are all too familiar with the loads of paperwork that we are required to deal with, and for the filing and maintenance of the same; however, maintaining such is worthy of our earnest efforts, and important for the preserving of the history of our lodges.

So, be very conscious and selective in what you decide to discard.

NEWLY ELECTED SECRETARIES

Each year there are a number of new secretaries elected to that important office of the Lodge. The office of Secretary carries with it great responsibilities, second only to the Master, for the well being of the Lodge and its members. How well the Secretary responds to- and carries out his duties- is directly proportional to the success of a Lodge. An interested and knowledgeable Secretary is indispensable to the Master and his Lodge in moving our Fraternity forward, an uninterested Secretary will affect the Lodge in negative manner.

So if you are a newly elected Secretary, my advice to you is; first learn the duties of the Secretary; second, make sure you communicate clearly and fully with the Master; and third, develop an unconscious and natural "feel" for your particular Lodge and each member thereof. There are many responsibilities- but also many rewards if you can develop the right attitude. Welcome aboard and good luck!!

Thought for the Month

The important thing is not to stop questioning. Curiosity has its own reason for existing. One cannot help but be in awe when he contemplates the mysteries of eternity, of life, of the marvelous structure of reality. It is enough if one tries to comprehend a little of this mystery every day. Never lose a holy curiosity.

The Secularization of the Season

A recent visit to the grocery store was both revealing and a bit depressing. As I made my way through the aisles of the store, I saw a group of workers who were busily engaged in arranging an attractive holiday display. As I watched those workers, I was reminded that Christmas, the joyous season of the year when many celebrate the birth of Jesus in a stable in Bethlehem, is just around the corner. But I noticed that the traditional symbols usually associated with Christmas were not being used to decorate that display. Instead, those workers used a lot of glitter to catch the eyes of shoppers.

This is an indication of that which is happening all around us. The secularists are actively seeking to change society and undermine the traditional values that have been part of our society since our founding fathers brought forth a new nation on this continent. In this environment, political correctness, a tool of the secularists, has determined that, during this season, attention should be focused upon those things that remind us to celebrate the winter solstice with a Winter Festival and Frosty the Snowman.

To a point, the secularists have been successful. Some workers have been instructed to greet others with "Happy Holidays;" it would be offensive to some to say "Merry Christmas." In some schools, the primary institution that moulds the minds of impressionable children and youth, Christmas programs have been replaced with winter festivals. At those festivals, traditional Christmas carols may not be sung; they have been replaced with songs that stress the coming of winter. Some school districts have changed the school calendar. "Winter Break" has replaced "Christmas Holidays." Too, some of the cards we send at this time of the year have abandoned Christmas symbols and use generic symbols that suggest the beginning of winter.

We live in an environment in which the majority have embraced traditional values and have celebrated Christmas as a holy day. We do not have to conform and accept the secularization of this season.

Western Kentucky Masons Host Christmas Party

Masons from Western Kentucky joined forces to host a Christmas Party for the 2113rd Transportation of the Kentucky National Guard on Sunday December 5, 2010. This is the 7th year Western Kentucky Masons have been providing these events for their local National Guard and Army reserve Units.

According to Dean Owen, Chairman of the Veterans Affairs Committee and Master of Antioch Lodge #332 "This program is a lot of fun, and really needed. Few people realize how difficult a situation our local National Guard and Reserve Soldiers are in. As this

war continues it seems most Americans have forgotten their Soldiers, the war is no longer popular, so there is not much news. But our Kentucky Soldiers are being deployed at alarming rates. Over the years we learned we could provide group events for these units very efficiently. That takes a BIG load off of the family groups so they can focus resources and efforts more directly on the personal needs of the individual Soldiers and their families. It is really rewarding to sit back with guys you see in Lodge and watch one of these events unfold, all the families having a good

time, Santa coming in and lighting up the kids faces, and knowing we made that happen."

Andy Kelly (aka Santa Clause) stated "it is really rewarding to be able to give back to these soldiers in some way. Andy is a member of Paducah Lodge #127 and Chaplin of the Local Disabled American veterans organization. According to Andy "There are so many good men and families in these units, and so many Soldiers in our fraternity, it is just a natural fit".

Rod Pearce, PM of Paducah Lodge #127 stated "It is a lot of fun working with the various

lodes, it seems most every Lodge in Western KY has a part of play in helping this program take off. The relationships with the Soldiers has been particularly powerful, it seems these folks have so many issues going on at once with deployments and training, to give back just a little feels really good."

If you would like to know more about how to get your Lodge involved with your Local National Guard or Reserve unit contact Dean Owen at 270-554-0720.
