# Grand Master's Message

**CLOYD J. BUMGARDNER**  
Grand Master 2015-2016

Brothers, welcome to the March Edition of *The Masonic Home Journal*. I hope you all have been happy, healthy and prosperous this past month. In this article I want to address a few items including the Masonic Scholars Program, the Adopt a Masonic Homes Resident program, make a few comments on "Masonic Chemistry" and finally, make a few comments on "All Masons Day" in Frankfort, Kentucky. But first, I want to thank each of you for all the good work you are doing across our Commonwealth and I also want to encourage you to attain the *Grand Master's Excellence Award* this year. The generosity you are showing your fellow man in communities across the state sets an example for others to follow. I assure you that men who do not belong to our Fraternity are taking notice of your good works, many of which are part of the

*Excellency Program* this year. By your actions, you are gaining much respect across Kentucky for your Lodge and our Fraternity. As your Grand Master, I want to recognize your hard work on all the aspects of the *Excellency Award Program*.

### Masonic Scholar's Program

First, it is important for us as Masons to study and understand the Constitution which governs us. In recognition of this fact, the *Masonic Constitution Quiz* was developed and offered to you this year as part of the *Excellency Program*. We have several Brothers across the Commonwealth that I intend to recognize at District Meetings for passing the *Masonic Scholars Quiz*.

Brothers, it isn't easy, but it is an open book quiz and receiving one of these pins

will be a real honor for those who pass it. There is still time to qualify, and I ask that at least one person from each Lodge consider doing so. Ask your District Deputy for a copy.

### Adopt a Masonic Homes Resident Program

Next, please consider adopting a resident at the Masonic Homes in either the Louisville or Shelbyville facility. There are residents there who don't have anyone to check on them regularly since they either have no family or their family does not live close by. Brother Bruce Lott (at the Masonic Homes, Louisville Campus) can connect your Lodge with a resident who would love to receive a Christmas Card, an occasional visit, a fruit basket, or just have someone to care about them. We all said we would assist a Master Mason, his widow and orphans. Adopting a resident is a very rewarding and easy way we can partially fulfill this obligation. I encourage your Lodge to adopt a resident today and follow in the footsteps of those other Lodges that are already doing so.

### Masonic Chemistry Lessons on Heat and Pressure

Next, before I became a school administrator I taught high school chemistry. While a teacher, I taught my science students how heat and pressure can affect the energy level of different chemical compounds. For example, the vehicles we travel in are powered by internal combustion engines which burn gasoline. The gasoline is refined from crude oil and is composed of long chained hydrocarbon compounds. When the carbon - carbon bonds are broken, energy is released creating an expanding gas and the engine pushes the vehicle forward. The spark that ignites

*Our world needs people who have the properties of spark plugs now more than ever.*

*Proud Kentucky Freemasons can fill this role.*

the gasoline is one of a flash of heat (energy) from a spark plug. It is easy to see that when heat (in the form of a spark) is applied to the fuel, impressive things begin to happen, and much work gets done (the vehicle moves forward). How does this relate to the Lodge you may ask? In this scenario, your Masonic Lodge is represented by the vehicle, your Lodge membership as a whole is represented by the fuel that powers the engine, and you as an individual are represented by the spark plugs. The plugs make things happen by igniting the flame that powers the entire operation. Without you, our Fraternity is just a name. With you, deserving children get to ride new bicycles, Masonic widows get fruit baskets, Christmas Cards and someone to talk to, many different community projects get manpower and funding to make them happen, people get to see, students learn to overcome learning disabilities, children get to walk, etc. etc. Our world needs people who have the properties of spark plugs now more than ever. Proud Kentucky Freemasons can fill this role.

### All Masons Day

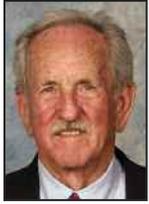

Finally, I want to reflect on how well the "All Masons Day" at the Capitol was received this year. Approximately 400 Freemasons attended the recognitions ceremonies in the Kentucky House and Senate Chambers, and approximately the same number listened to remarks from the Governor in the Capitol Rotunda. Many State Representatives and Senators (who are Masons) met with the Brotherhood in the Capitol and spoke inspiring words about our Fraternity and emphasized the influence our members have had on our state and nation. The Governor also echoed these sentiments and had his photograph taken with hundreds of us in the Rotunda. In addition to the House and Senate recognitions, the evening meeting was also very well attended, with over 500 names on the register. The meeting was historic and your elected Officers participated in period dress. Famous Freemasons represented by your elected Officers included: Albert Pike, Rob Morris, General Lafayette, Ben Franklin, Daniel Boone and Henry Clay. Additionally, the five original Lodges brought the furniture of the lodge to the meeting for historical purposes. The meeting was well received by all and hopefully we will be able to have another such meeting before another 217 years passes again. We were happy to welcome Masons to this event from Kentucky, Ohio, Illinois, Texas, and Canada. It was a very good day for Kentucky Freemasonry.

In closing, I am very happy to belong to this great Fraternity with you because you are quality men. I appreciate you and know you are, and will continue to be,

**ISSUES AT HAND:**

<i>What does Kentucky law actually say?</i>	<i>What does the GLKY Constitution actually say?</i>	<i>What does the 2nd Amendment say?</i>	<i>What does all this mean to me as a man and a Mason</i>
---	--	---	---

**MARCH 29 @ 7 P.M. • CHANDERSVILLE LODGE 858**

In light of an attempted attack on a Masonic Temple in Wisconsin. The Officers and Members of Ted Adams Lodge of Research No. 998 feel it is our obligation as a research Lodge to create an opportunity to shed some light on the issue at hand. The Grand Lodge of Kentucky's Constitution has provided our great Fraternity answers and solutions to many perplexing questions over the years. The Commonwealth of Kentucky's Laws has also been respected and referred to within the GLKY Constitution in all of its twelve editions. In many cases, we as Brothers find ourselves feeling conflicted between the two documents that we swore to walk upright by. Sometimes we are presented issues that simply are not black-nor-white, issues that need discussion. Other than evoking the assistance of Deity, we feel that "further light" might illuminate our issue and allow us as Brothers and law abiding citizens see the issue clearer. In an attempt to cast "further light" on this issue, Ted Adams Lodge of Research No. 998 will conduct an educational presentation / floor debate at its March 29th stated communication. Guest speakers with law enforcement, prosecution and defense, backgrounds will speak. The Commonwealth of Kentucky Constitution will be examined, as well as the GLKY Constitution. The 2nd Amendment to the United States Constitution will be analyzed in comparison to our Masonic Rules and Regulations. Please come and join us in our endeavor to educate ourselves on these issues. For information or questions please feel free to email: Eddie Hazelett WM, Ted Adams Lodge of Research No. 998 at CommDet24@hotmail.com

## Aurora Lodge 633 Kindergarten Pizza Party

What a day for the students in Ms. Stacey Hinkebein's Kindergarten Class! Her students were celebrating making great choices by coming to school and by doing the right thing while there. The class was provided pizza as a reward for making school attendance a priority by the Mason's of Aurora Lodge No. 633. The school was contacted earlier in the year inquiring how they could make a difference for kids at Bardstown Primary School. Understanding the importance of coming to school, the Masons quickly came up with the idea of offering some incentives for students that exhibit perfect school attendance. Students that have perfect attendance at school from October 1, 2015 to the end of the school year will have their name entered into a drawing for a bike and a helmet! The Masons will give at least two bikes to the school as rewards, but hope to give more! "We are so excited to partner with the Masons to help our students," shared BPS principal Michelle Ryan. "Having kids at school everyday is so important! We really appreciate the effort of Aurora Lodge No. 633 in helping us reward our students that come to school each day."

MASONIC NEWS MASONIC NEWS

**THE TASK OF A MASON** BY HOWARD COOP

On Sunday afternoon, August 1, 1971, in Milan, Italy, I stood at the east end of Cathedral Square near the statue of Victor Emmanuel II and looked eastward at the gigantic cathedral that dominates the square. That magnificent cathedral, begun in 1386, is 486 feet long and 189 feet wide. Built of brick and encased in marble, it is decorated 4,440 turrets, pinnacles, and statues of various kinds. That cathedral has stood for almost 800 years and is recognized as one of the more beautiful cathedrals in Europe.

That cathedral was built by operative Masons who traveled from their homes to foreign lands to earn wages and direct their labors toward the construction of "material edifices composed of stone, brick and mortar." Although those edifices "like all things temporal must sooner or later succumb to the inevitable ravages of time," operative Masons who erected them left a tribute to their labor that shall not soon be forgotten.

We, speculative Masons who are members of the Fraternity of Freemasonry, "no longer build temples and cathedral of stone," but we do "build spiritual temples of

*character, temples of upright manhood and integrity."* So, we are engaged in an occupation that "is never in (our) future Masonic life to be discontinued." Therefore, day after day and year after year without ceasing, we expend our labor for one purpose: To "raise a superstructure perfect in all its parts and honorable to its builder" that is supported by strength, wisdom, and beauty.

To build such a superstructure nobler than the magnificent temple of King Solomon, it is necessary to follow four simple rules: Always do one of the first things you were taught in your Masonic journey: Before any undertaking, large or small, pause and invoke the aid of Deity. After that experience, discern---and faithfully follow---the designs written upon life's trestle board for you by the Supreme Architect of the Universe. To the best of your ability, use the tools of a Master Mason to shape rough ashlar into perfect ashlar and lay those perfect ashlar in place with care. Then always, without exception, build your temple on the solid foundation of strength, wisdom, and beauty---the age-old pillars of Freemasonry.
