LETTER FROM TERRY W. BOGGESS, GRAND MASTER OF MASONS OF THE COMMONWEALTH OF KENTUCKY

Brothers,

Congratulations on your appointment as District Deputy for this fraternal year. You have been selected by the Grand Master and recommended by your Masonic brethren to serve the Craft in each of your Masonic Districts across this great Commonwealth. By accepting this appointment, you are agreeing to Help, Aid, and Assist the lodges in your district with whatever their Masonic needs may be.

You will find this job to be both challenging and rewarding. By accepting the position and responsibility of a District Deputy, you are agreeing to promote the programs of the Grand Lodge of Kentucky in your District, work closely with your Area Officer, and keep the Grand Master informed of any events that affect our Fraternity.

The District Deputy Handbook will guide you in performing your duties and give you a good understanding of what is expected of you. A leader that is well informed will be able to help others solve their problems and gain the respect of their brothers.

Below is a list of programs that we have chosen to promote to strengthen our Fraternity:

1. Support of Masonic Youth Groups

2. The Grand Master's traveling Staircase of Masonary

3. The Masons Helping Masons,Veterans

4. Attendance at the Educational Conferences and District Meetings

5. Following and understanding our Masonic Constitution

6. The "Charity of Your Choice"/ Bicycles, Scholarships, etc.

7. The Grand Master's Lodge of Excellence Award

With your dedication and hard work, we can be assured of a successful year. I have complete confidence in your ability to represent Freemasonry, and The Grand Lodge of Kentucky during the ensuing year. Always feel free to contact either myself, your Area Officer, or The Grand Lodge of Kentucky Office if you need any help performing these duties.

Fraternally Thine,
Terry W. Boggess
Grand Master
Grand Lodge of Kentucky

FORWARD

The purpose of this handbook is to define the duties of the office of District Deputy Grand Master for the Grand Lodge of Kentucky. The information contained in this guide will assist you as you perform your official duties. Please review this information thoroughly since it can make your year as District Deputy Grand Master both productive and enjoyable.

PURPOSE AND DUTIES OF THE DISTRICT DEPUTY GRAND MASTER

The District Deputy Grand Master serves as the personal representative of the Grand Master in his respective Masonic district. Your duties include working closely with the Masters of the lodges in your district to help, aid, and assist them, and to promote Grand Lodge activities and programs. Since you are the official liaison between the Grand Master and the lodges in your district, it is important that you help maintain peace and harmony between our members. It is very important to use good judgment and never become involved in private piques and quarrels which may occur between brothers or lodges. Also, never publicly criticize another officer or member of the craft. If a situation needs to be addressed, please refer it first to your Area Officer and then the Grand Master. If a direct violation of the Constitution is about to take place, please use common sense as to how you handle the situation. It is very important to never publicly embarrass an officer or member of our fraternity. Remember, after your year as District Deputy Grand Master is over, you will still have to live among your brothers.

Travel

I encourage you to travel both within and outside your district. It would also be a good idea to travel to other district meetings before yours so you can see how the meetings proceed. Visit every Masonic lodge in your district **at least twice** during your time in office. The first visit is usually for purposes of introduction and the second should typically be your official visit to that Masonic lodge. Plan your visits around possible bad weather, holidays, your schedule, etc. I also encourage you to use the district Facebook page to keep up with events within your district. Remember that your local brothers recommended you for this appointment, so be careful that none of your lodges are neglected. During your official visitation of a lodge in your district, highlight the Grand Lodge programs, make sure each Lodge has an updated Book of Constitutions and urge them to update their By-Laws as needed. Also, verify they are holding meetings regularly and forward any needed information to your Area Officer. When you have completed your official visits, submit an email to your Area Officer and the Grand Master, advising us this has been completed.

You are to serve as a role model for others in your district and work with your Area Officer and the Grand Master during your year of service. By working together, we can achieve extraordinary results. Suggest ways to advance Grand Lodge programs in the district. Please communicate any concerns to the Area Officer and/or the Grand Master.

Dress/Appearance

You should attend lodge functions dressed in a coat and tie, as is deemed fitting for the office. Please wear your D.D.G.M. apron and the Grand Lodge of Kentucky identification badge to all meetings and Grand Lodge functions. If you visit an outdoor degree, business dress is not expected. You will wear a plain white apron to outdoor degrees. The apron should only be worn on the outside of your coat or jacket. However, **NEVER wear your D.D.G.M. apron and name badge to a Masonic Funeral**. Masonic funerals are for the family of the deceased and is meant to show that we are all on the same level, as indicated by a plain white apron.

Speaking/Presenting

Since you are the direct representative of the Grand Master, you should always speak just prior to close of the meeting. Be prepared with a brief, pleasant, and non-judgmental message. When speaking, always consider the hour and be respectful of the time of your audience. If a long meeting has taken place, keep your remarks brief. Always be prepared with something to say, since it is expected that you do so. You should always stand when addressing the lodge. Conclude your remarks by thanking the Craft for their attendance and attention. You may close by simply saying, "Thank you for your hospitality and thank you for this courtesy."

Visiting Lodges

When visiting a lodge please use the following guidelines:

Be on time: Early arrival at meetings will allow you to get acquainted with the members of the lodge. If you happen to arrive late, make your entrance as inconspicuous as possible. ALWAYS apologize for your tardiness when called upon to speak, but do not make excuses about your lateness.

Be prepared: Convey information about Grand Lodge programs and planned events to the craft. It would help you to have the topics you want to cover written on index cards. Stress the need to improve all aspects of our fraternity.

Have a positive mental attitude: When you make any comments remember that once said, they cannot be taken back. Your comments should always be both positive and enthusiastic. Enthusiasm is an element of success, and if you don't believe in what you are saying, the lodge members will most likely not follow your lead.

Use common sense: Present yourself with dignity and be respectful of your brothers. They will expect you to be confident as you are serving in the capacity of D.D.G.M. However, always remember that humbleness is a Masonic virtue that we should all practice, and is expected of you.

Avoid unnecessary conflict: Avoid becoming involved in all private quarrels and disagreements. If you see a problem developing, bring it to the attention of your Area Officer or the Grand Master. ***Otherwise, avoid being drawn into quarrels.***

PLANNING THE DISTRICT MEETING

It is a good idea to schedule a planning meeting with the appropriate representatives of each Masonic lodge in your district. Do so at a central location soon after your installation. The agenda for this meeting should include introductions of all present, the coordination of details of the district meeting, and specifics of other events during the year. Plan to make the facility for your district meeting convenient and accommodating for brothers traveling from within, as well as from outside, your district. Become familiar with the guidelines of this handbook and follow them when planning your district meeting. For a Sample District Meeting Agenda, see Appendix A. See Appendix C for the Lodge Information form to be completed by each lodge for your bennifit. Please provide a copy of the form to each lodge in your district. Ask the lodges to return the completed form promptly, so you can prepare your statistics. The D.D.G.M., or his designated representative, will present district membership totals and statistics at the district meeting.

The District Meeting is one of the most important events of the Masonic year. The success of your meeting will depend upon the amount of planning and effort you put into it. Past District Deputy Grand Masters, lodge officers, members of the Craft in your District, and your Area Officer will help you with your meeting if you ask them. When all arrangements for your district meeting have been finalized, notify the Area Officer and the Grand Master.

Notice of Your District Meeting in Masonic Home Journal

The notice of your district meeting must be received by the Masonic Home Journal Staff by the 5th of the month, two months prior to the month of your meeting. Plans and details must be submitted and approved by the Grand Master and Area Officer prior to publication. For example, if your district meeting will be held in April, submit notice to the Masonic Home Journal by February 5th, to appear in the March issue.

The following information is required in your notice:

1. Location of the meeting (physical address is needed) with directions using known land- marks and highway route numbers. Make certain that someone not familiar with the area can easily find it using only your directions.
2. Time of meeting including the prevailing time (Eastern or Central), and whether or not a meal will be served.
3. Indicate the ladies are invited to attend the meal. Also note if a Ladies Program will be provided during the tiled portion of the District Meeting.

Detail important information about your meeting along with a digital photo of yourself (unless a photo was taken at the D.D.G.M. Orientation) and mail this information to: Grand Lodge of Kentucky, ATTN: Masonic Home Journal, PO Box 99159, Louisville, KY 40269. If you use e-mail send it to:

masonichomejournal@glky.org

A few suggestions to assist you with your District meeting:

1. If you have a meal, have at least two serving lines if possible.
2. Make special presentations to guests, and/or recognize Past D.D.G.M.'s of your district during the meal time.
3. To facilitate serving and to observe proper protocol:
    a. Announce the serving instructions prior to the invocation.
    b. You and your wife are to be served first. Next in line should be the Grand Master and other Grand Lodge Officers with spouses. If there are ladies, then the ladies should go next with their spouse. All others to follow.
4. If ladies are invited for the meal, you may have a program for them during the tiled meeting. Please make this known in order for ladies across the state can attend. If no program, have them a comfortable place to gather
5. Your meal must start no later than one hour prior to your meeting time. If you are having presentations, allow for the time needed. Please be aware of the time constraints as there may be another district meeting on the same day.
6. Since this is a tiled meeting, make sure you have enough aprons. You may ask other lodges to help supply aprons for their members and guests.
7. Masonic Protocol specifies that the Grand Master is the last to speak before the lodge is closed. **Please begin your meeting on time!**

OPENING OF DISTRICT MEETING

The lodge **will not** be opened prior to the district meeting. We will open lodge promptly at stated time when all members are present enabling all brothers to witness the opening of lodge in full form and participate in the Pledge of Allegiance to our flag. District Deputy's will be asked to open and close their District Meetings themselves.

After opening the Agenda APPENDIX A is to be followed. **Note**: This is only a rough draft. A final agenda will be given out at your meeting.

DISTRICT MEETING ATTENDANCE AWARDS 2026 - 2027

An attendance award will be presented at the Grand Lodge Annual Communication 2027 to those lodges who have the Master, and 10% of their total membership, or the Master and fifteen members, present. For example, if a lodge has 30 members, the Master and three members must attend. **If a lodge has 150 or more members, the Master and at least 15 members must attend to qualify for this award.**

(If the Master is unable to attend due to extenuating circumstances, the lodge may apply to the Area Officer or the Grand Master for relief. If the Area Officer and the Grand Master determine that the absence is justifiable, the lodge may then be considered to have met the requirements with a total of 10% of their total membership in attendance.)

MASONIC YOUTH GROUP SUPPORT

Masonic youth have, and continue, to play a valuable supporting role in Freemasonry; all the while, practicing and learning the tenants of our gentle craft. Aiding and guiding these young adults is a rewarding experience and I urge you to seek out local chapters, assemblies, and bethels where you or your lodges can be of service. In addition, you will assist local lodges in connecting with Masonic youth and encourage them to not only provide financial support, but that of their time.

Roles

- District Deputy Grand Masters need to become familiar with the local chapters, assemblies, and bethels in their area or closest one to a specific geographic area.
- Provide lodges with contact information.
- Advertise chapter, assembly, and bethel current events.
- Encourage Brothers to volunteer their time and think about becoming an advisor. Advise on how to become an advisor or provide them with information to learn more.
- While speaking with lodges, encourage them to visit local chapters, assemblies, and bethels.
- Stimulate discussion on how lodges are able to financially support local chapters, assemblies, and bethels.

COMMITTEE ON MASONS HELPING MASONS

The Masons Helping Masons Program was designed to help brother Masons who are in need. After a lodge has contributed to a brother's relief, the lodge may then apply to this program for additional help, if needed, for that brother.

This program was first started by M.W.P.G.M. Brother Herman Forrester for lodges, and expanded later to include individual brothers by M.W.P.G.M. Brother Chris Stout.

By the sale of items which fund this program, such as ties, caps, Grand Master Coins and knives, we are able to have funds available to relieve the distressed.

COMMITTEE ON MASONRY MATTERS

The committee on Masonry Matters was started by Brother Bill Cunningham in far West Kentucky. It was designed to encourage lodges to get involved in our local schools, by helping with the various needs of the children which remain unfunded by existing public programs.

COMMITTEE ON VETERANS AFFAIRS

This committee was established by M.W.P.G.M. and current R.W. Brother Donald H. Yankey, Grand Secretary, and with this program, we honor our veterans in several ways. We annually assist in funding and supporting our active military and veterans with events across our state.

This year we will continue going into the National, State, and local cemeteries to assist with cleanup and placing flags (done on the Saturday before) in preparation of Memorial Day, also known as Decoration Day. Flags should be retrieved by the following Tuesday.

If your lodge can't travel to one of the National or State Veteran Cemeteries, you may choose a local cemetery to adopt. Please inform your District Deputy, Area Officer, or the Grand Master if you choose this option.

BOOK OF MASONIC CONSTITUTION

Become familiar with the index and articles of the Book of Constitution so you can answer questions you will be asked when you visit lodges. **Do not give answers to a constitutional question from memory - instead, read the section of the Constitution pertaining to the question in order to correctly guide the brothers to the proper answer.** This process will prevent misunderstandings of the question at hand. In instances where an interpretation of the Constitution is required to settle an issue, refer the questionable section(s) to the Area Officer, and the Grand Master, if necessary. In most instances the questions on Masonic law that may arise can be answered by reading or referring to the section of the Constitution pertaining to the issue. Be sure that all lodges in your district have an up-to-date Constitution. Each lodge received two copies of the updates for the Constitution, after the most recent Annual Communication of the Grand Lodge. Encourage the lodge to refer to it often, as the laws governing our fraternity help to protect the integrity of our order. Suggest that each lodge periodically have brief programs on the Constitution, using selected sections as topics, in order that the Craft may become familiar and comfortable with the Constitution. You may want to utilize the Constitutional Quiz provided by the Committee on Masonic Scholars to increase the knowledge of our Constitution.

Impress upon the lodge Secretary that he is to submit a list of the newly elected and/or appointed officers of the lodge electronically. This electronic submission should be completed as soon as possible following the election of officers in December. This can be done prior to installation. In any case, the submission **must be received in the Grand Lodge Office prior to Sunday, January 10, 2027, even if the officers have yet to be installed.**

Also, encourage the lodge Secretary to enter the information on the lodge income, electronically on the Grand Lodge database. Additionally, each lodge must file a 990-N Electronic Postcard on the IRS Website if their annual income is under $50,000. Those over $50,000 will fill out a 990EZ or regular 990

Form. This information is required by the IRS with a deadline being the 15th day of the 5th month after the close of their fiscal year. **Either way, ALL Masonic Lodges must file electronically on the IRS Website to retain their tax-exempt status.**

GRAND MASTER'S PINS/SPECIAL EVENTS/PROGRAMS

GRAND MASTER'S PIN

This years Grand Master's Pin is gold in color and a depiction of the 3 5 and 7 Steps of Freemasonry. On each side of the staircase is a pillar with a globe. In Freemasonry, the pillars represent the twin columns at the entrance of King Solomon's Temple. The globes above the pillars contain the map of the earth and the map of the heavens and stars. These symbolize the universal nature of the fraternity and the balance between the material and spiritual.

GRAND MASTER'S VETERAN'S PIN

This years Veterans pin is oval shaped. It is green with gold starburst. A compass rests in the center with 2026-2027 printed in red over the bottom portion of the compass. The compass reminds us of our oath to self-restraint, boundries and moderation of human passions. Remember, thank a veteran each time you see one. The money raised from the sale of this pin will help fund our Veteran's Program at the Grand Lodge.

GRAND MASTER'S 2026-2027 STATEWIDE STAIRCASE OF FREEMASONRY PROGRAM

The Grand Master will have a Statewide Traveling Staircase of Freemasonry Program. The Traveling Staircase of Freemasonry, location can be tracked using the locator found on the Grand Lodge of Kentucky website and/or the Grand Lodge of Kentucky Statewide Traveling Staircase, Location Facebook Page (see Appendix D). It is important that you follow the directions contained in the Traveling Staircase case to ensure that its location is kept updated, so all lodges have an opportunity to claim it. One or more Masons may claim the Traveling Staircase at any Masonic meeting. It must be claimed and presented in a tiled or open meeting to count. Make sure to follow the directions and sign the registry contained in the Traveling Staircase case. The Traveling Staircase will begin at Simsonia Lodge No. 917, District 2, on October 20, 2026. Rules for claiming the Staircase will be posted on the Location Facebook page and a copy will be included in the Staircase case.

In Freemasonry, the numbers 3, 5, and 7 serve as guiding symbols in the Fellow Craft's journey up the Winding Stair to the Middle Chamber. The staircase symbolizes the moral fortitude, continuous intellectual development and the pursuit of higher understanding. The first 3 steps represents moral foundation. The next 5 steps represents human senses and the classical order of architecture. The last 7 steps represent the seven liberal arts and science.

Elected or Appointed Grand Lodge Officers and District Deputy Grand Masters are not eligable to retrieve the Grand Master's Staircase of Freemasonry.

GRAND MASTER'S MASONIC SCHOLAR PROGRAM

This Program was started by M.W.P.G.M Cloyd J Bumgardner.

The quiz is an open book test on the Book of Constitutions of the Grand Lodge of Kentucky and may be completed individually or in a group setting. The Quiz may be taken by all masons including EA's and FC's. The quiz is intended to spur discussion about the Constitution as well as initiate interest for further study. The quiz consists of 20 multiple choice questions. The article where an answer can be found will be given. A brother must successfully give the letter answer and section. A brother must have at least 18 correct answers to pass. Successful completion of this program is one of the requirements for the Grand Master's Lodge of Excellence Award.

Jackson, will be awarded to one lodge in each of the 3 Areas that has claimed the traveling Staircase of Freemasonry and accumulated the most miles, starting in October 20, 2026 until May 1st, 2027. The lodges that qualify will receive a $2000 Scholarship to be awarded to a graduating high school graduate of their choice by the end of May 2027. After May 31, 2027 the Lodges that claim the traveling Staircase of Freemasonry with the most miles accumulated in each area will be awarded a plaque of achievement at the 2027 Annual Communication. The last date for claiming the Traveling Staircase of Freemasonry is October 1, 2027. The lodge that has claimed it last will bring the Staircase of Freemasonry to the 228th Annual Grand Lodge Communication in Louisville, Kentucky. Each lodge should be promoting visitation. Visiting other lodges can be very rewarding as it increases fraternal fellowship. The purpose of the Grand Lodge Scholarship Program is to aid in a student furthering his/her education.

DISTRICT MASON OF THE YEAR

Each District Deputy Grand Master will nominate a Kentucky Mason, in their district, to be the "District Mason of the year." Upon review and agreement of the Grand Master, this Kentucky Mason will receive a Plaque and be recognized, at his district meeting, if in attendance. Each district should have a Traveling Gavel, and the District Deputy Grand Master should always know where it is located. It is his responsibility to keep the gavel traveling from lodge to lodge The guidelines below are only suggestions on how the District Traveling Gavel Program might work. **If your district has a program in place, then continue with it instead.** The purpose of this program is to encourage Masonic travel within the district.

The Traveling Gavel must be placed in clear view of all visiting Brothers.

RECEPTION OF DISTINGUISHED GUESTS

The following is the order of introduction and is in reverse order of their entrance. It takes into account that rank is introduced from lowest to highest, with the Grand Master entering last. Introductions are made starting on the far right of the person doing the introductions. The line will form at the rear, with the highest-ranking officer at the door. All distinguished guests are received together, in one large group, and given Public Grand Honors, three times three. The Grand Master is always received last, by himself. He is introduced west of the Altar, then brought to the East, and given the Private Grand Honors, the three signs of Masonry.

Distinguished guests will be received in the following order:

Leadership of the Masonic Homes.

Heads of affiliated bodies. (Scottish Rite, York Rite, and other bodies)

Grand Lodge Committee Members. (Example: Worshipful Brother John Doe, Committee on By-Laws)

Current District Deputy Grand Masters from other Districts. (Example: Worshipful Brother John Doe, District Deputy Grand Master District 10)

Current Appointed Grand Lodge Officers. (Example: Worshipful Brother John Doe, Grand Senior Deacon)

Past Grand Masters. (Example: Most Worshipful Brother John Doe, Past Grand Master)

Elected Grand Lodge Officers. (Example: Right Worshipful Brother John Doe, Deputy Grand Master)

The Grand Master, Grand Lodge of Kentucky. (Example: Most Worshipful Brother John Doe, Grand Master of Masons in Kentucky) (Private Grand Honors – 3 signs of Masonry – EA, FC, MM) (Please NO CLAPPING)

The Lodge is called up when Grand Lodge Officers enter. The proper form is, “I present to you and to the Craft here assembled Worshipful Brother John Doe District Deputy Grand Master District No. 1 and Right Worshipful Brother John Doe, Deputy Grand Master.” Only Grand Lodge Officers are entitled to public grand honors, however, if Grand Lodge Officers and others are introduced simultaneously, then all may be given public grand honors of “three times three”.

After the initial reception of distinguished guests, the D.D.G.M. will explain how to give the Private Grand Honors. The Grand Master is presented West of the altar, introduced, and acknowledged by the D.D.G.M. who directs the Marshal or Senior Deacon to conduct the Grand Master to the East (to the right of the District Deputy). The Private Grand Honors are then given, the Grand Master is offered the crown and gavel, and is extended the courtesy to conduct the meeting.

Note: The initial line up places the Elected Grand Lodge Officers at the door. Even though they enter first, they are introduced last.

Masonic Homes offers independent living, assisted living, personal care, memory care, and skilled nursing, with a focus on serving those who may otherwise be unable to afford care. Masonicare residents receive quality housing and care, along with essential support such as wheelchairs, glasses, transportation, meals, clothing, and other daily necessities.

Funded entirely by donors, the program raises more than $1.5 million each year to support residents who outlive their financial resources. These funds help cover a wide range of daily living and medical needs.

The pin I selected features the Masonic Emblem and the Eastern Star Emblem displayed across the state of Kentucky. Our motto is "Building Our Future Together." With a generous donation of just $10, you can personally help sustain this meaningful program.

First Lady Lana Boggess Supporting Sproutlings Pediatric Day Care

Sproutlings Pediatric Day Care and Preschool at Kosair for Kids Center is an exceptional place where children can grow, learn, and thrive. It welcomes both medically fragile children and those in traditional care settings, reflecting our belief that connection and inclusion are essential to every child's well-being, regardless of ability.

"Llama for Leilany" features a young child standing beside a llama in cowboy boots—an image that instantly brings joy. That same sense of wonder, warmth, and charm inspired our new charity pin. Each purchase directly supports the Sproutlings Program by helping provide adaptive equipment and therapeutic services for children with disabilities. For many families, the cost of specialized care, physical therapy, and assistive technology can be overwhelming. By purchasing and wearing this pin, you help ease that burden.

Wearing this pin does more than provide financial support; it builds a community of inclusion and visibility. It tells families of children with disabilities that they are seen, supported, and valued. By joining this campaign, you turn a simple accessory into a symbol of hope and opportunity.

Pins may be obtained or donations to any of the programs by calling Terry Boggess at 270-978-5655.
